

Welcome to the future of helmets

Head/Fox

Pg. 02 / About us

Unlock the Technology

A black and white photograph of a motorcycle helmet. The helmet features a large, detailed graphic of a tiger's head on the side. The word 'HEADFOX' is printed in a bold, sans-serif font on the side of the helmet. The helmet is shown from a three-quarter front view, highlighting its aerodynamic shape and clear visor. The background is a blurred, dark grey, suggesting a workshop or garage setting.

About Us

A focused and intuitive journey. This is the experience we engineer. We are dedicated to enhancing motorcycling through a comprehensive ecosystem of smart helmets, apparel, and accessories, all designed to work in seamless unison. Our mission is to elevate rider safety, awareness, and connectivity through deep technological integration.

F20 Headset

Bluetooth Device

Features

- 48 Hour Backup
- 15 Mtr Range
- Bluetooth Ver. 5.3
- Water Resistance
- 1000mAH
- 150g Weight
